Message from the Show Secretary.

I am happy to return after a two-year enforced hiatus. It is difficult to get back into the swing of things and I apologise for the delay in producing this schedule.

The are some changes to the old format which I hope will help you find the information that you require to enter your exhibits and enjoy the show and the entertainment.

On the front cover we have a picture of a fully grown tulip tree “Liriodendron tulipifera” like the one which the Society planted on the Village Green in celebration of the Platinum Jubilee. With approval from the Parish Council it is close to the Hornbeam that we planted for the Diamond Jubilee in 2012.

Our Show and Country Fayre is run on old fashioned principles but with a modern twist. It is a happy and fun day for all and we make every effort to make it safe and entertaining. Please follow any safety signs or guidance from our stewards.

Entries. Check when the entries close, what time they must be staged and when the marquee will be cleared for judging.

Every exhibitor must use a separate entry form so there are two in each schedule but if you need more either photocopy one or use a separate piece of paper.

To make entering some classes easier and stress free please follow a few simple guidelines. Read the guidance notes as necessary, pay attention to the number of items in each class eg number of eggs in a box or basket.

Every year we make a request for help and support on show day and for any event that we run. Your will find contact details and application forms on the website. **www.lcgs.co.uk** – for both membership and for stall holders along with a full diary of forthcoming events. Alternately you can e-mail me on **leighshowsecretay@btinternet.com** or telephone **01306 611515**.

Many homes have changed hands of the past 30 months and because of the pandemic many are still relative strangers to us so we hope that you will join us with this village tradition as exhibitors, helpers and visitors.

We ask that stall holders take all their rubbish home and **NO** dogs to be left unattended in vehicles

Helen Taneborne

Show Helpers and Volunteers

This is the annual call for help – both before the show and on Show Day. Our main event in the year is the Summer Show and Country Fayre and many local crafters, charities and groups take this opportunity to raise awareness and funds.

Helping gives you an opportunity to share your skills, learn new skills, get inspired about your environment, as well as getting involved with your community.

You will be aware that it takes a lot of man hours to organise and run the event so any help you can give will welcome

Do not be shy – if you are unsure how we can use your support give us a ring, send an e-mail or just come to our events and have a chat.

Everybody has something to offer!
